

Robbins Run

Robbins Trail is the oldest Rail-To-Trail in the country. This loop trail is almost exactly 4K in length and features a scenic covered bridge locals call "The Lucille Roberts Bridge." The Robbins trail surrounds Hess field park which offers an additional two miles of trails. It also leads visitors to two local favorite fishing spots on both the north and south end of Mahoning creek.

The trail begins at Hess Field Park Complex, where you will find plenty of parking, as well as picnic opportunities, vending machines and rest room facilities.

Directions to Robbins Run from Interstate 80

Traveling on Interstate 80, take exit 224 to Route 54 East toward Danville. Travel approximately one mile and make a right just past the Perkins Restaurant. Make another right onto Meadow Lane, and follow this road into the park. Drive carefully on the access road. It has been scheduled for repairs.

Columbia County Susquehanna Trail

Columbia County Susquehanna Trail is a pedestrian/ bicycle trail approximately eight miles in length, connecting four municipalities located in Columbia County and the Upper Susquehanna and Lackawanna Watershed American Heritage Rivers Area. The trail is constructed on portions of the abandoned Reading Railroad and Pennsylvania Canal towpath. This trail is through a very scenic portion of the County, and also connects two municipal parks and existing bike route, along with providing access to numerous historical structures and points of interest.

This trail can be started at numerous different locations, however, starting at the Bloomsburg Town Park offers outdoor enthusiasts ample parking, picnic facilities, vending machines, tennis courts, restrooms, and much more.

Directions Bloomsburg Town Park from Interstate 80
Traveling on Interstate 80, take exit 236 (Bloomsburg/ Lightstreet) to Route 487 South. Once at Downtown Bloomsburg, merge right onto Route 11 South. At Market Street Square, turn left and follow to Bloomsburg Town Park.

Cyclists must assume the risk for their own safety when traveling the suggested routes. Most of these roads do not have any special accommodations for bicycles. Whenever bicycles and cars share the road, there are inherent dangers. Ride defensively and in a predictable manner to avoid accidents. Be courteous. Make sure your bike is in good working condition. Always wear a helmet and bright colored clothing. For emergency assistance, call 911.
