

FISHING CREEK SPORTSMEN’S ASSOCIATION

YOUR GUIDE TO REELING IN THE BIG ONE!

Founded in 1969, the Fishing Creek Sportsmen’s Association (FCSA) is a 501(c)(4) non-profit organization dedicated to preserving and maintaining great trout fishing on Fishing Creek and several other Columbia County waterways. The club also maintains pistol, shotgun and rifle ranges (open to club members only) at its Shannon Mill clubhouse property located north of Benton.

In cooperation with the PA Fish & Boat Commission’s Cooperative Nursery Program, the club annually raises roughly 25,000 trout. Club members stock these trout in local publicly accessible waters and provide fish to various local fishing derbies, including the club’s own derby, held each year on the first Sunday in June.

In partnership with the Northcentral PA Conservancy and other organizations, the FCSA has aggressively pursued the purchase and protection of numerous properties along Fishing Creek and other local streams to ensure perpetual public access to these waters. As of 2021, the FCSA owns and/or leases a combined 100+ acres of streamside lands open to the general public.

To learn more about the FCSA’s activities, including membership and other ways you can help protect our sporting heritage for generations to come, please visit:
